

HARTMEYER STABLES

PRESENTS

“CONFIDENCE CLINIC”

WITH

MARRY MORROW

(Certified trainer for Frank Bell, “7Step Safety System”)

MAY 16TH, 2009

The first step in good horsemanship is giving., bonding.

We must teach our horses to understand pressure and release, then move forward into asking for complete trust and confidence in us as their leaders. Then we begin pushing buttons in search of places or things that cause trouble and address those problems.

Next we learn to create harmony and leadership on the ground. Then, and only then will we mount up and ride, learning to create the dance with our horses in the saddle.

Take out the guess work about when it is safe to put your foot in the stirrup.

Confidence comes with feeling in control, and control only comes when we learn to communicate with our horse.

Please come and join us for a day of learning and fun!

Time: 9:30 am - 4:00 pm

Cost: \$50.00 per horse and rider

Stall rental available, please reserve

All shots and neg. coggins a must!
